

The City of Sully provides service for water, sewer, garbage and recycling.

Here are a few things you might want to know about your utility service:

- Bills for city provided utilities are mailed quarterly at the end of March, June, September and December and are payable by the end of the next month.
- Bills not paid by the due date will be considered delinquent, a penalty added and disconnection proceedings are started.
- A deposit of \$75 for utility service will be required before service is connected.
- Garbage and recycling pickup is done curbside on Tuesday of each week.
- Yard waste may be burned, but keep your neighbor's comfort and the weather conditions in mind when doing so.
- DO NOT burn yard waste in the streets.
- Limbs and brush may be bundled and will be picked up by calling the Public Works Department.
