

Public Notice - Flushing Water Hydrants

Wednesday, 21 July 2021 10:13

Sully residents please take note – Public Works Department will be flushing hydrants throughout the city on Thursday, July 22 starting at dark. Flushing will be completed by early Friday morning. You may notice some discoloration in the water during this time, but you may be assured the water will be safe to use. However, please use caution when doing laundry since water discoloration may cause staining on clothing.
