

The Sully Municipal Airport is a general aviation airport with a runway length of 2300 turf feet and is classified as a Category A airport. Approximately 500 operations (take offs and landings) take place at the Sully Municipal Airport in one year. Activities include flight instruction and visiting aircraft. Many pilots from Des Moines and surrounding areas enjoy flying to the Sully Airport; especially on weekends, to take the opportunity to visit the local Coffee Cup Café for a meal. For more information about the Sully Municipal Airport contact the city office at 641-594-3493.
